Re: Revised PIYC Marina Docking Lease Agreement and PIYC Rules of the Dock

Date: January 1, 2005

Happy New Year! Enclosed are the revised PIYC Marina Docking Lease Agreement and PIYC Rules of the Dock. Please read both of these and return the following items with your January dock lease payment to the address listed above:

1. The completed and signed PIYC Marina Docking Lease Agreement
2. A copy of your current liability insurance rider on your boat

The dock records have not been updated in several years, and we are trying to get everything in order for the new Dockmaster, Bruce Nunez (949-9885). If you have any questions, please contact me (949-7132) or Bruce.

Thank you very much for your cooperation in this matter.
